Last year, I read a very interesting story which is called "Journey to the centre of the Earth". The story is about an adventure to the centre of the earth. The main character is a boy called "Axel" who lived with his uncle, Professor Lidenbrock in Hamburg, in Germany. Axel came to live with his uncle when his parents died. Axel was proud of his uncle who was a famous scientist . He knew about the earth more than any other scientist. One day, Lidenbrock found a very old book in which he found out a description of a journey to the centre of the earth written by an ancient Icelandic scientist. Lidenbrock decided to make this dangerous journey and took Axel with him. During the journey, **they** saw wonderful things , animals and even strange people underground. They really had hard time but they enjoyed the journey. They were brave and helped each other, so they succeeded in making the journey. Finally, they came back to the surface of the earth safely.

A) Answer the following questions :

1 – Where did Axel and his uncle live ?
